

735 Head

will sell immediately following the 11th Annual Gardiner Angus Ranch Fall Bull Sale.

TERMS: 25% of the purchase price is due sale day. Balance due prior to pick up.

This is a commercial female sale. The Profit Proven females will sell in groups, by ranch of origin with a minimum purchase of 10 head. Buyers can choose to take the entire group or a gate-cut portion of

the group. Remainder of the gate-cut group will sell again. Cattle will not be sold individually. All freight is F.O.B. (freight on buyer) and delivery arrangements are made between buyer and seller.

Adams Cattle Co., LLC • Plains, Okla.

The Adams Cattle Co. is a fifth generation beef operation located in southwestern Kansas. The Adams family has been GAR customer for more than 60 years. Although ACC maintains an outstanding herd of Hereford cattle, their focus on infusing GAR genetics in a managed crossbreeding program results in black baldy replacement females with extraordinary profit

potential. The ACC commercial Angus herd is 100% GAR-Influenced genetics using high accuracy carcass sires with top percentile calving ease.

**Contact John Adams: (620) 621-4017
email: johncharlesadams@yahoo.com**

Randy Bayne • Protection, Kan.

Long-time GAR customer and friend, Randy Bayne, is a commercial cow-calf producer that also retains ownership on his calves. By using the data and continually applying pressure for the traits of economic importance, Randy's calves earn significant premiums through U.S. Premium Beef. Randy Bayne purchased GAR Sunrise in 2013 and GAR Composure in our

2012 sale. These females are sired by GAR sires or sons of GAR sires and bred to GAR Sunrise, GAR Composure and an outstanding son of GAR Prophet.

**Contact Randy Bayne: (620) 338-1813
email: alleycat_67127@yahoo.com**

Sam Hands, Triangle H Grain & Cattle, Garden City, KS.

Sam Hands, Triangle H Land & Livestock are synonymous with excellence in the commercial cattle business. One of the most respected cattle feeders and cow-calf producers in the country, Sam Hands and Triangle H have been a GAR customer and friend for more than two decades.

**Contact: Sam Hands (620) 640-8487
Email: trih@wbsnet.org • www.triangle-h.com**

Mayer Ranch • Guymon, Okla.

Mayer Ranch is a fifth generation commercial cow-calf operation in Texas County, Oklahoma. By using tools and technology to make dramatic genetic improvements in the cow herd, this long-time GAR customer delivers cattle earning some of the highest premiums paid by U.S. Premium Beef. Mayer Ranch is a diversified beef operation and was awarded the 2013 Certified Angus Beef Commercial Commitment to Excellence Award. Mayer Ranch purchased GAR Momentum in the 2014 sale and GAR Sure Fire and GAR Profile in our 2013 sale.

email: jmayer@onenet.net • www.mayerranchcattle.com**

TLW Land & Cattle L.P. • Syracuse, Kan.

Several years ago, TLW Land & Cattle embarked on an aggressive cow herd improvement program implementing Gardiner Angus Ranch genetics. The 80 head offered in this sale are all home-raised, GAR influenced heifers. The heifers have been ultrasounded for pregnancy on 8/19/15. The current TLW

cowherd reflects proven, high accuracy GAR sires.

**Contact Rusty Wharton: (620) 353-0393
email: rwharton@wbsnet.org**

Kurt Whitney • Haviland, Kan.

Kurt Whitney, Whitney Angus, is new to the Profit Proven group. Whitney Angus has used GAR sires for several years and kept replacements. Herd health is managed by Ashland Vet Center. The 16 bred heifers offered in the sale are home raised and have been genomic tested using Method Genetics Choice. Complete information will be available sale day.

Contact: Kurt Whitney (620) 546-3414

Ed & Gretchen Yeo, Houston Trust Ranch, Rosebud, Tex.

Ed & Gretchen Yeo are first time consignors to the Profit Proven Sale. The Yeo's decades long focus on performance, docility and end product merit make them a perfect fit. The Yeo's retain ownership on their steers and make disciplined breeding decisions based on real-world economics.

**Contact: Ed & Gretchen Yeo Cell: (330) 770-4895

Email: yeofarms@cboss.com**

We congratulate the Profit Proven Group and say thank you for consigning such an outstanding offering of commercial females.

These producers have embraced genomic technology, benchmarking their herds with GAR, and a disciplined breeding philosophy resulting in female replacements that ARE NOT YOUR AVERAGE ANGUS FEMALES! Buy with confidence. Their cattle are great! Their professionalism is beyond reproach!

Houston Trust Ranch, Rosebud, Tex.
